Dear Participant:

Chaffey College is committed to providing quality educational opportunities that meet specific educational standards. In order to learn more about how students are meeting their learning objectives, you are kindly requested to take this short survey that should take no more than 10 minutes. Using your phone, tablet, or other device, please scan the QR code below. You will be provided with a link that will take you to the questions.

If you would like to take this survey on a computer or other device without QR code capabilities, please enter this link into your web browser: <http://tiny.cc/Photo1Sp20> (this link is case-sensitive).

Instructions for working with QR Codes

1. If using an Apple device, open your *Camera* app, which functions as a QR code reader.
2. If using an Android device, you may need to download a QR reader app via the Google Play Store. There are free options available, such *Lightning QR*.
3. Once you open your QR reader app or camera, focus on the QR Code located below. Wait until the app detects the QR code (this usually takes 1-2 seconds).
4. Once the QR code is detected by your app, you will be prompted to select a button that will open a link associated with *Chaffey.Qualtrics.Com*. Selecting that button will open the survey on your mobile device.
5. Take a few moments to complete the survey. We appreciate your time and participation!
